

laser cut screens for architectural and home interiors

Decorative laser cut metal screens and panels. Laser cut designs made in the UK.

Laser cut patterns

Huge range of laser cut patterns to choose from. We are adding to this page all the time, so bookmark us to ensure you have all the latest designs. Choose a laser cut screen design for your room partitions, room dividers, laser cut window screens, wall panels, mirrored wall panels, bespoke furniture and much more. We make bespoke laser cut screens for interior and exterior use, please contact us as we can also manufacture custom laser cut panels to your design.

WORDS laser cut screens

Little drops of water,
Little grains of sand,
Make the mighty ocean
And the pleasant land.
Thus the little minutes,
Humble though they be,
Make the mighty ages
Of eternity.
So our little errors
Lead the soul away
From the path of virtue
Far in sin to stray.
Little deeds of kindness,
Little words of love,
Help to make earth happy
Like the heaven above
